

The Discipleship Review is designed for you to reflect personally on your discipleship journey and think about where you need to grow, where you are doing well and what you could show others to help them grow. Take a moment to look at this now and share one or two responses with others in your group. Take time to look at this in detail on your own later. Maybe reflect as a group on how your church could grow disciples?

Areas where I need to get started in my discipleship.	Areas where I need to grow in my discipleship.
Areas where I want to go deeper in my discipleship.	Areas where i'm ready to share my faith and gifts with others.
What practical things do I do already that help me to grow as a disciple?	What practical things would help me to grow more as a disciple?
What does our church do well to help people grow in their discipleship?	What new things could we do to help people grow in their discipleship?
